✦ AI Report Analysis

We analyzed organic Google search results near 89118, Nevada, for queries related to your business, 1 Home Construction LLC, and found that you have had some real successes! Your latest post was made just 8 hours ago, and you have more reviews than your top competitors, which is great. You seem to be performing very well in the southwest and west regions and have a good rank in the south. However, there are areas that need work, like the southeast, northwest, north, east, and northeast regions, where your performance is only mediocre or poor. To improve, consider expanding your radius from 5.0 miles to 8.8 miles for better insights by starting a scan [here](#). Additionally, change your primary category to "Contractor" since most of your competitors are using it, and think about adding secondary categories like "Interior designer," "Painter," and "Property maintenance" to help you compete better!

Recommendations

-  **MAJOR** Your grid size of 9x9 appears to be optimal. Consider widening your radius from 5.0 mi to 8.8 mi to get a clearer view of where else you may be ranking. [Click here to start that scan.](#)
-  **MAJOR** Primary Category: 2 of your 3 top competitors have listed their primary category as "Contractor" but your primary category is listed as "Construction company." Consider changing your primary category to "Contractor."
-  **MAJOR** Secondary Categories: Your top 3 competitors are listing categories you don't have listed and ranking well. Consider adding "Interior designer", "Painter", and "Property maintenance" to compete.
-  **MINOR** You have no "Reviews from the web" showing directly on your Knowledge Graph (the right-hand sidebar of a Google Search). While not a huge ranking factor, they do help your listing's prominence, and take up more real estate on the page. To increase your chances of having these appear, ensure you have reviews from other authoritative sources like BBB, Facebook, Yelp, etc. Consider including "[same as](#)" schema on your website where these other properties are linked.
-  **MINOR** Consider adding scans for [kitchen remodeling las vegas](#), [bathroom renovation contractors las vegas](#), [home addition services las vegas](#), [luxury home remodeling las vegas](#), [affordable general contractor las vegas](#). These keywords were suggested to target specific home remodeling services and price points that potential clients in Las Vegas might search for.
-  **MINOR** You have no social media profiles showing directly on your listing's Knowledge Graph. Consider adding links to your organization's social media accounts. This will provide more touch-points for a consumer.
