AI Report Analysis

We performed an investigation into your search presence for "wig shop" across a 4.5-mile radius, analyzing 81 data points to gauge your standing within the local competitive landscape. Your results are exceptional, as you appeared in 80 of those 81 search points (98.77%), with a Share of Local Voice (SoLV) of 74.07%, effectively securing a top-three spot in the vast majority of our scan grid. You are performing particularly well across the northern and western quadrants, demonstrating a consistent and authoritative hold on the market.

While your performance is strong, the southeast region remains a pocket of mediocrity that warrants closer attention. You currently face a diverse group of 103 competitors, and while some, like Superior Hair Depot 410 and BSW Beauty, hold massive review volumes, your higher SoLV proves that your profile optimization is currently outperforming their sheer review count. There is a clear opportunity to further consolidate your market position by focusing on competitors like SE Wigs, who remains your closest rival in regional visibility, and by capturing more market share from Ruby Renee Wigs, who lacks your current review momentum.

Your current trajectory is excellent, and the following recommendations are designed to help you bridge the gap in your weaker regions while defending your hard-earned, high-visibility status.

Recommendations

- ☐  MINOR Your last Google post was on July 6, 2026. Maintaining a consistent posting schedule is essential to keep your profile active and engaging for local customers.
- ☐  MINOR In the southeast region, **The Hair Factory LLC** has a strong presence. [Research regional ranking improvements with Falcon Assist.](#)
- ☐  MINOR In the south region, **SE Wigs** is performing well. Focus your local SEO efforts on this area to reclaim your top-tier ranking position.
- ☐  MINOR Explore visibility for related search terms like 'Human hair wig shop' or 'Lace front wig shop' to capture broader intent. [Scan this keyword.](#)
- ☐  MINOR Address common customer questions like 'What is the average cost of a good wig?' in your Google posts or website FAQ. [Check AI Mode.](#)
- ☐  MINOR Your website is not appearing in the top organic results alongside competitors like **The DollPrint Beauty Bar**. Consider creating localized content about your Pikesville salon to improve organic search authority.
- ☐  MINOR Your reviews are overwhelmingly positive, but with 37 reviews, you have room to grow. Actively encourage satisfied clients to leave detailed feedback to widen the gap between you and smaller competitors.
- ☐  MINOR Several competitors include 'Wig' in their business name, which provides an intrinsic ranking advantage. Continue to focus on your high SoLV and 4.8-star rating to maintain your competitive edge.
- ☐  MINOR Investigate why your ranking dips in the southeast region compared to your performance in the north. [Research regional ranking anomalies with Falcon Assist.](#)
- ☐  MINOR Use ChatGPT to generate content answering 'What is the most natural looking wig ever?' to improve your topical authority. [Check ChatGPT.](#)
- ☐  MINOR Target the 'Wig shops in baltimore' search term to capture traffic from the broader metropolitan area. [Scan this keyword.](#)

Relevant Citations

The directories below appeared organically on Page 1 of Google for your keyword. They're strong citation opportunities, often free to claim, and worth securing for added relevance and authority. This list isn't exhaustive - foundational platforms like Yelp, Apple Maps, and Facebook still matter, even if not shown here.

 **Yelp.com**

 **Yellowpages.com**
<https://www.yellowpages.com/pikesville-md/wigs-hair-pieces>

Vulnerable Competitors

You may be able to overtake these competitors if you implement the recommendations we've outlined above.

-  **Superior Hair Depot 410** - While they have 1,365 reviews, their SoLV is only 9.88%; focus on maintaining your superior ranking position despite their higher review volume.
-  **SE Wigs** - They hold a 5.0 rating and 80 reviews with an SoLV of 45.68%; monitor their activity as they are your closest competitor in terms of regional search visibility.
-  **The Hair Factory LLC** - With 72 reviews and an SoLV of 30.86%, they are a consistent competitor in the area; continue to emphasize your luxury, private-fitting room experience to differentiate.
-  **Ruby Renee Wigs** - They have 22 reviews and an SoLV of 22.22%; their lower review count makes them a prime candidate to overtake if you continue to drive positive customer feedback.
-  **BSW Beauty - Randallstown** - Despite having 843 reviews, their SoLV is only 17.28%; your high ranking proves that service quality and profile optimization outweigh sheer review volume.

Already Complete

-   **MAJOR** With a Share of Local Voice of 74.07%, you are currently the dominant player in the local market, appearing in the top 3 positions for the vast majority of our scan grid.
-   **MINOR** Your business description is present and provides a clear overview of your luxury services, which helps potential customers understand your value proposition immediately.
-   **MINOR** Your business hours are clearly listed and current, ensuring that customers know exactly when they can visit for private consultations.
-   **MINOR** The Local 3-Pack is appearing in Google Search results for 'wig shop'. This confirms that local businesses have prime visibility opportunities in this SERP, and your grid scan metrics (SoLV: 74.07%) show how often you're capturing that visibility.

 This AI-generated report aims to provide a snapshot of your listing's health and suggest improvements. Exercise caution and always double-check recommendations before implementation, as they may not be a perfect fit for your business.

Business Results Comparison

ARP: Average Rank Position across data points where the business is found in the top 20 results.

ATRP: Average Total Rank Position across all data points data points searched.

SoLV: Share of Local Voice is the percentage of data points where the business ranks in the top three positions. Over time, SoLV may be an excellent tool for understanding brand lift.
